Air Hostess PAM ANN Returns to USA in All New Hilarious One-Woman Show, “PAM ANN - COCKPIT” at The McCallum Theatre

Buckle up, bitches! Airhostess Pam Ann – who has toured with Cher and crewed private jets for Elton John – returns to the USA in her raunchiest comedy show yet! In Pam Ann: Cockpit, the gutsy and glamorous, sixties--inspired Pam Ann takes aim at the numerous airline calamities making news today. From the grounding of Boeing 787's Dreamliner to Emirates Airlines' door blowing open at 37,000 ft., all the deliciously alarming incidents that are plaguing the world's

airline industry are discussed. Pam Ann's first stateside tour in four years comes directly after sellout Australian and European tours that took her to France, Scandinavia, Germany, Poland, and the United Kingdom. This spring, Pam Ann: Cockpit kicks off in Palm Springs on Friday May 10 at the McCallum Theatre with more lay-overs in Los Angeles, Houston, Dallas, Chicago, Seattle, and Miami, with final performances at Joe's Pub in New York City, June 12-16.

"I am excited to show off all my new costumes by Garo Sparro," says Pam Ann from London. "They are super sexy! Also, my wigs by Hollywood Wigs are phenomenal. Let's just say I give those bitches in Dallas a run for their money. Big hair is back!"

In her performances, Pam Ann pokes fun at air travel, identifying the individual quirks of some of the biggest international airlines (and their stereotypes) and mixing in a generous dose of camp, humor and glamour. Passengers embark on a journey from security check-in to boarding to landing.

In Pam Ann: Cockpit, the comedian will premiere her spoof appearance on the ABC-- TV series, PAN AM. She will also present never-before-seen-in-the-USA footage from her latest airline news channel.

Pam Ann is the alter ego of Australian comic Caroline Reid. Reid's portrayal of the outrageous airhostess has been featured in advertising campaigns for British Airways and Sky Team. In fact, as the celebrity spokesperson of Sky Team Terminal 4 at Heathrow, Pam Ann is featured on all in-flight video programming and has been

featured on CNN and CNBC. Pam Ann has appeared in promotions for KLM/Air France, JetBlue, Lufthansa, British Airways, Qantas, SAS and low cost British carrier EasyJet uses her videos in their training.

In Australia, Pam Ann starred in her own television talk show, "The Pam Ann Show" on the national Foxtel channel. She also hosted Australia's live broadcast of Mardi Gras that aired in over two million households. Even Madonna is a fan, describing Pam as "cruelly funny".

Pam Ann's concert DVDs, "Come Fly With Me" and "Pam Ann Nonstop: Live from New York City" are available now on Amazon.com. Pam Ann's travel app is available on iTunes. She is currently working on the feature film, Pam Ann The Movie.

AIDS ASSISTANCE PROGRAM AWARDED \$15,000 GRANT FROM THE AUEN FOUNDATION

The Auen Foundation has awarded a \$15,000 grant to AIDS Assistance Program (AAP) in support of the organization's food voucher program. The Auen Foundation began its support of AAP in 1999, as one of the first Coachella Valley organizations the Foundation ever funded. The much needed funds will support critical client services

"We're approaching summer, which is typically our most challenging time because it's the end of the season, so this generous donation could not have come at a better time," says Mark Anton, Executive Director of AAP. "Our main priority is to provide nutritional support to our clients and we couldn't do it without our ongoing partnership with the Auen Foundation."

Established in 1992, The Auen Foundation is dedicated to enhancing the overall quality of life of the aging population and

raising awareness of the precious-end-of-life stage. The Foundation supports charitable programs and services aimed at meeting the social needs of mature adults and their families.

"We love the service that AIDS Assistance Program provides people in our community," said Catharine Reed, Senior Program Officer for the Auen Foundation. "For people living with HIV and AIDS, having access to healthy food, means one less thing for them to worry about. We applaud the efforts of AAP and the many other partners involved in this important program."

For more information about AIDS Assistance Program or to volunteer or donate, please contact Executive Director Mark Anton at 760/325-8481 or visit www.aidsassistance.org.
